

Hello there, how do you do?
I've set up a scavenger hunt for you.
So follow the clues and then you will find.
A special Easter treat that I left behind.

Head to the room where you like to eat.
And your next clue you will surely meet.

If you want to find your next clue.
Go to the room where you pee and poo.

If your next clue you would like to seek,
Go to the place where you go to sleep.

So far you are doing great looking.
Now go to the place where mom does the cooking!

This is the place where you go to play.
Now there's a clue you can find there today.

Where do wet clothes go round and round?
That is where your Easter baskets can be found!
